

GS Dental ~ Financial Policy

Our mission here at GS Dental is to help you afford the quality treatment that you deserve. We accept Visa, Mastercard, Discover and American Express. We also offer zero interest financing for up to 24 months to those who qualify, or longer terms with small interest charges. These plans will allow you to make monthly payments. Application needs to be made prior to your appointment, and we usually receive approval in a short period of time.

We work with most dental insurers. Carriers vary, but we'll try to help you get the most out of your particular policy. As a courtesy to you, we will submit your claim forms for you, and answer any questions we can. Please keep in mind that you are responsible for your total obligation should your insurance benefits result in less coverage than anticipated. We do require that you pay the portion that your insurance policy doesn't cover at the time of service.

Any remaining balance after 60 days becomes your responsibility, regardless of insurance coverage. At that point, you will be charged 1.50% per month on the remaining balance until it is paid in full.

Our goal is to provide you with the best possible treatment and the time we reserve for you enables us to provide you with the care you need. Any appointment broken without 24 hours advance notice, excluding a medical emergency, will result in a cancellation charge of \$50.00.
